

Process for a Solar Mortgage

- Submit project metrics, homeowner contact information, and developer proposal via ([this link](#))
- Have homeowner submit here (www.applytoeric.com)
- Pacific Union will contact the homeowner, collect an application, and give a pre-approval/approval along with a funding timeline
- Fill out the [Appraisal Addendum](#) (solar section) and submit to Intelligen
- Pacific Union will order an appraisal
- Pacific Union will notify the homeowner of a closing date
- You can begin building the solar project
